River Deep Foundation Golf Tournament & Fundraiser

What could be better than a day outside on green grass, smashing a little white ball all over the place for a great cause? We are out today supporting wounded vets and individuals with disabilities. The River Deep Foundation hosts outings year-round like archery, fly fishing, hunting, art classes, fencing, equine assisted learning and much more. It's an honor to be able to work with organizations like Craig Hospital, Operation TBI and Ft. Carson.

We have over 100 people participating in the fundraiser today and we can tell by the smiles they are having a good time, regardless of where the ball lands. A big thanks to Meridian Golf Club and all the volunteers that made this a successful day!
