Archery Instruction

We are excited to be hosting our first archery outing of the new year! Most of the veterans participating today are new to archery and are looking forward to slinging some arrows. We are using re-curve bows and working on the fundamentals. As always, the RMS staff are helpful and patient in their instruction and guidance. We have had a fun day of learning a new sport, making new friends, and helping the healing process. A big thanks to RMS gear and all the volunteers that made today possible.
