String Art

Five veterans and one of their family member's participated in our String Art class outing! Not only did everyone have the opportunity to learn about this unique form of art, but they were also able to make their own art words! Not limited to string, the participants learned how to incorporate the use of everyday tools like nails and wood into their beautiful art works. Everyone had an amazing time learning the skills to continue creating art at home as well as sharing their experience with one another during this outing.
