Date: Monday, March 1, 2020

Hosted by: River Deep Foundation & Denver SCI HOP

Location: Cottonwood Art Center - Colorado Springs

Participants: Operation TBI Freedom

Art Class - Rope Baskets

We hosted 8 veterans and 5 family members at this month's art class that also kicks off Brain Injury Awareness Month. Elizabeth Barber taught us to use recycled mountain climbing rope for craft basket, mats and coasters. We had a few families that worked together during the night making beautiful baskets to take home with them. It was a relaxing night with a nice fellowship.
