Denver Fencing Center

It's always a fun day learning how to fence. At the Denver Fencing Center, it's also quite a workout. We started with basic instruction, suited up, and the competition began. We kept score, which added to the competitiveness and fun. We also had a chance to challenge our instructors.

It's been a great day, and we look forward to coming back. A big thanks to the Denver Fencing Center, and everyone who volunteered their time to make it possible.
