Jelly Prints

It's our first art class of the year, and the classroom is full of enthusiastic students. All of the necessary supplies were laid out on the tables, we took our seats, and our instructors went to work. The creative juices were flowing and the students had many prints to take home and showcase.

We always have a great time at the Art Students League of Denver, and look forward to next months class. A big thanks to all the staff and volunteers who made today's class possible.
