Art Students League of Denver Art Class

Last Monday's art class was a blast as we made air-dry clay bowls, and a few other shapes at the Art Students League of Denver. Everyone started with a ball of clay, which we began shaping and then were given tools for the finer details. Some of our class were re-shaping mid-way due to our expectations. Either way this class was a lot of fun and we all got to take home our finished products.

A big thanks to the staff at the Art Students League of Denver and all the volunteers who made this class possible.
