Collin and Sean Mulligan Duck Hunt

Over the first weekend in December, River Deep Foundation and SCI HOP hosted an outstanding waterfowl hunt over decoys in Kersey, Colorado, for three Veteran's and one care giver. After a windy night at the Cobblestone Inn, we were met by our guide/host Collin Mulligan at 5:15AM, for the trip to the river.

We all assisted in placing the decoys and getting set up. The temperature was about 0, but the birds were coming in. All the hunters got there limit of ducks, with a bonus of three Canadian Geese harvested, as well. All the hunters and guides had an amazing experience.
