Archery at RMS Specialty Gear

We had a large group of kids and adults all excited to learn archery from the expert staff at RMS Gear. We used recurve, crossbows and compound bows. Our lesson began with the range rules and safety instruction. Next, we were up to the shooting line and given bows. The arrows flew and the fun began.

After a few hours of range time, we took a break and had some lunch. It's been a great day and a big thanks to all staff at RMS Specialty Gear, and the volunteers for making this outing possible.
