Equine Therapy

Last Tuesday, the River Deep Foundation and SCI HOP arranged an amazing outing at the U.S. Air Force Academy Equestrian Center, Remount Foundation, in Colorado Springs, CO. It was so much fun. We had 10 veterans attend, and had the opportunity to learn more about the equine assisted learning. We learned how beneficial working with horses can be to those with PTSD and TBI's.

After spending some time grooming the horses and learning about equine assisted learning, our instructor Jeanne Springer, took us for a nice, long trail ride around the Air Force Academy grounds.
