Equine Therapy

Last Tuesday, the River Deep Foundation and SCI HOP hosted a group of Veterans for an amazing time at the U.S. Air Force Academy Equestrian Center, Remount Foundation, in Colorado Springs, CO. Our group learned more information about Equine assisted learning & Recreational Therapy, and it was so much fun.

We had 9 veterans and 1 family member attend. We gained more knowledge about the Equine assisted learning regarding how beneficial working with horses is; and can help with our PTSD and TBI's. After spending some time grooming the horses and learning our instructor Jeanne Springer, we went for a nice long trail ride around the Air Force Academy.
