

River Deep is a newly established collaboration of like-minded organizations working exclusively to serve individuals with disabilities, many of whom served or are serving in the military. Their common goal is to acclimate, enable and engage their clients as a way to assist in the healing process, improving outlook and quality of life.

SCI HOP is a program within this collaboration that organizes group outings for clients across all the organizations to help toward this goal.

June 15-17, 2018

Location: Denver CO

Hosted By: River Deep Alliance

Participants: Operation TBI and Ft. Carson WTB

Denver Comic Con

The Annual Denver Comic Con event was held June 15-17th at the Colorado Convention Center. River Deep Alliance was generously offered passes from the event organizers so that wounded Veterans and families of Operation TBI Freedom and the Warrior Transition Battalion at Ft. Carson could attend for no cost. We had over about 150 wounded veterans and family members attend. Everyone had a blast visiting the events and activities that included a diverse range of topics around pop culture and literary interests for all ages. There were hundreds of exhibitors, 3 main event stages, 25 session rooms, and almost 750 hours of celebrity Q&As, panels, workshops, and demos!

Just some of the feedback:

“Thank you! It was a total blast!” - K. Wagner

“Had a great time!!!! The Kid’s loved it! Thank you!” – J. Fernandez

Special thank you to Becky Walde and Dave Hysmith for the passes and for Susan and Chuck Williamson for connecting us and to Jesus Guerra and Scott Huyvaert for outreach and coordination.

Denver Comic Con (DCC) is a 3-day, family-friendly pop culture fan extravaganza, featuring the best in pop culture entertainment. DCC is a program of the Colorado nonprofit Pop Culture Classroom, whose mission is to inspire a love of learning, to increase literacy, celebrate diversity and build community through pop culture education.
