

River Deep is a newly established collaboration of like-minded organizations working exclusively to serve individuals with disabilities, many of whom served or are serving in the military. Their common goal is to acclimate, enable and engage their clients as a way to assist in the healing process, improving outlook and quality of life.

SCI HOP is a program within this collaboration that organizes group outings for clients across all the organizations to help toward this goal.

December 10th, 2018

Location: Art Students League of Denver, Denver, CO.

Hosted By: River Deep and SCI HOP

Participants: Craig Hospital & Operaton TBI Freedom

Basic Drawing Art Class at the Art Students League of Denver

Today's class is basic drawing. Our instructor will be teaching us how to draw with pencils, graphite, and charcoal. Sandra, our instructor, gives us an overview of the basic concepts of drawing; including the thought process and how to hold and use the instruments for drawing. Some of the students have prior experience and some are just naturals. Either way, everyone is having a great time and will be taking their masterpieces home with them.

When the class was finished we enjoyed some delicious barbecue from Jim N' Nicks BBQ. It's been a great class and we all look forward to the next one. A big thanks to the Art Students League of Denver, their staff and all the volunteers who made this a great outing. Special thanks to Taskforce ISO for the photos.
