

River Deep is a newly established collaboration of like-minded organizations working exclusively to serve individuals with disabilities, many of whom served or are serving in the military. Their common goal is to acclimate, enable and engage their clients as a way to assist in the healing process, improving outlook and quality of life.

SCI HOP is a program within this collaboration that organizes group outings for clients across all the organizations to help toward this goal.

**December 22nd, 2018**

**Location: Vahalla Hunt Club, Bennett, CO.**

**Hosted By: River Deep and SCI HOP**

**Participants: Craig Hospital**

### **Vahalla Hunt Club with Craig Hospital**

It's cold, overcast and a chance of snow, so we are going to layer up to stay warm. The Craig Hospital participants show up around 10:00AM and we started with some instruction on the trap shooting range. Everyone is getting the hang of it and more clays are being broken. The tune up is over and the dogs are ready to go. So we head to the grass in search of pheasants.

We manage to flush some up, put a few in the bag and some pheasants escaped to another zip code. It's a fun hunt and everyone is enjoying watching the dogs work and the birds fly. It's lunch time and we head to the clubhouse for a Vahalla lunch and some warmth. It has been a great day and a big thanks to the Valhalla Hunt Club and all the volunteers.
