Acrylic Painting Class

Another fantastic evening at the Cottonwood Center for the Arts. We had 8 Veterans and family members learning the foundations of color mixing, composition, and brush-sketching as we have with each of the four acrylic painting classes taught by Jess Preble. This time our landscape was about mountains and nature. We had a great time listening to music, eating pizza, and spending time with other Veterans and their family members. Next month we will move on to a new series of art.
