Anglers of Honor

We always look forward to being at historic Lincoln Hills. Before adventuring out to the creek and ponds to go fly fishing, the instructors did an incredible job of demonstrating the fundamentals of fly fishing to all of the participants. Following the instruction, everyone was excited to jump into some waders and start fly fishing with their assigned guides. Fortunately, everyone fly fishing was able to catch a few trout. Following a few hours of fly fishing, everyone gathered for a barbecue lunch and a tribute from the Anglers of Honor to the vets. All of the vets in attendance at the outing received an Anglers of Honor fly rod! At the end of the day, everyone's expression made it clear this outing was a success! A big thank you to all of the guides and volunteers that made this incredible outing possible!
