## Healing Lives One Adventure at a Time

The River Deep Foundation is dedicated to helping military veterans and other individuals who have experienced physical, emotional or psychological trauma—and those who assist them—to heal and re-engage in life through adventure, recreation and a network of support.

**February 20, 2021**

**Location:** Kilroy's Workshop, Colorado Springs

**Hosted by:** River Deep Foundation and SCIHOP

**Participating Groups:** Operation TBI Freedom

## Blacksmithing

Another great day at the forge! We had three veterans attend this basic blade smithing class at Kilroy's Workshop. There were several working groups making Damascus steel and mini-knives, so the veterans were able to see different types of blacksmithing and knives. We are so happy to have this new partnership as this is a popular activity!
