Family, Fishing and Fun Day

It was the perfect day for fishing and archery at Colorado Youth Outdoors. The water was calm and the day was peaceful and quiet, so all of the family and friends could enjoy each other's company. The ponds were full of fish and everyone had the opportunity to go fishing. Other than just appreciating a fun day outdoors, a few of the participants even caught some fish and others got a bullseye playing archery! For the children who were not interested in the other activities, they had a huge outdoor space to run free! For lunch, the All American Beef Battalion served ribeye, corn, mash potatoes, hot dogs, chips, and cookies. It was a fun and relaxing day with an incredible lunch. A big thank you to the All American Beef Battalion, Colorado Youth Outdoors, all of the volunteers, and all of the participants that made today a big success!

Chairman, SCI Humanitarian Outreach Program

As we have not been able to host a fly fishing outing lately due to low water we have not put out a summary report, so we are taking this opportunity to recognize the following donor for an ongoing quarterly donation to Anglers of Honor, part of the the River Deep Alliance.

This donation is in honor of my father, Herrick K Lidstone Jr; he is a military veteran and avid fly fisherman. He celebrated his 72nd birthday on Friday, September 10th, and I thought that a recurring donation in his honor would be appropriate to support his military career and his passion for fly fishing.
