

River Deep is a newly established collaboration of like-minded organizations working exclusively to serve individuals with disabilities, many of whom served or are serving in the military. Their common goal is to acclimate, enable and engage their clients as a way to assist in the healing process, improving outlook and quality of life.

SCI HOP is a program within this collaboration that organizes group outings for clients across all the organizations to help toward this goal.

January 6th, 2019

Location: RMS Gear, Wheat Ridge, CO.

Hosted By: River Deep and SCI HOP

Participants: Craig Hospital & Operaton TBI Freedom

Archery Outing at RMS Gear

We have a packed house of eager participants all anxious to become archers, and thanks to the expert staff from RMS Gear, everyone will learn the fundamentals of archery. Most of the people will be using traditional bows and a few will try out a compound bow. Participants and family members are having a great time, which we have become accustomed to at RMS Gear.

After the archery class we are treated to a delicious pasta lunch provided by Ranch West 40. It's been a great day and a big thanks to the RMS Gear staff and all the volunteers who made this a wonderful day. Special thanks to Taskforce ISO for the photos.

Bob Adwar
