

River Deep is a newly established collaboration of like-minded organizations working exclusively to serve individuals with disabilities, many of whom served or are serving in the military. Their common goal is to acclimate, enable and engage their clients as a way to assist in the healing process, improving outlook and quality of life.

SCI HOP is a program within this collaboration that organizes group outings for clients across all the organizations to help toward this goal.

Participants: Operation TBI Freedom staff and clients, Soldiers from Ft Carson WTB, and Wounded Veterans with River Deep and SCI HOP

Family Holiday Party, Bowling and Santa

Operation TBI Freedom, River Deep and SCI HOP hosted the third annual Family Holiday Party for wounded vets and family members at the Bass Pro Shop in Colorado Springs. The Bass Pro Shop and Uncle Buck's Fishbowl & Grill have a beautiful bowling alley that feels like an aquarium with all the fish mounts hanging from the ceiling along with the tackle and boats. Santa sat next to the Christmas tree, fireplace and decorations as he passed out presents to 50 children, along with over 100 adults in attendance. Some are bowling and some are bringing their kids over to meet Santa, receive a gift and have their picture taken.

Uncle Buck's Fishbowl & Grill, connected to the bowling alley, served lunch at noon which left everyone with a smile on their face. It was a fantastic family holiday party. Thanks to Operation TBI Freedom and their staff, along with Bass Pro Shop, Uncle Buck's Fishbowl & Grill, Fort Carson Warrior Transition Battalion (WTB), River Deep, SCI HOP and all the volunteers that made this possible.
