

River Deep is a newly established collaboration of like-minded organizations working exclusively to serve individuals with disabilities, many of whom served or are serving in the military. Their common goal is to acclimate, enable and engage their clients as a way to assist in the healing process, improving outlook and quality of life.

Fencing Lessons

We've added an amazing new outing to our programming, Fencing, thanks to Denver Fencing Center, the premier Fencing school in Colorado. Soldiers, Vets, Craig Hospital participants, men, women and children are all excited to be here. Nathan, Maggie, and Chris will be our instructors.

We start with the basics as we are all beginners, so there is a lot of learn. It's not like the old pirate movies. We are ready to suit up, grab a weapon and become a human pin cushion...just kidding you don't feel a thing. We paired up and the Fencing begins.

Everyone is having a great time. Whether casual or competitive, the staff will accommodate. A big thanks to the Denver Fencing Center, the participants, and all the volunteers.
