

River Deep is a newly established collaboration of like-minded organizations working exclusively to serve individuals with disabilities, many of whom served or are serving in the military. Their common goal is to acclimate, enable and engage their clients as a way to assist in the healing process, improving outlook and quality of life.

SCI HOP is a program within this collaboration that organizes group outings for clients across all the organizations to help toward this goal.

**December 7th, 2018**

**Location: Bass Pro Shop, Colorado Springs, CO.**

**Hosted By: River Deep and SCI HOP**

**Participants: Operation TBI and Ft. Carson WTB**

### **Christmas Party for Operation TBI Freedom and Ft. Carson WTB**

We have bowling, lunch, and best of all, we have Santa who handed out gifts to all of the children. There are almost 100 children and just as many vets and family members. It's a fun day for all to enjoy the activities and celebrate the holidays. Task Force ISO is helping out with pictures of the day. Everyone is having a great time bowling and spending time with Santa and opening their gifts. It is lunch time and Bass Pro Shop and Uncle Bucks provided a great lunch along with donated cake pops from Ticklebelly for desert. Ticklebelly has donated cake pops for all of our outings.

It's been a great day for all and a big thanks to everyone who helped put it together.
