

River Deep is a newly established collaboration of like-minded organizations working exclusively to serve individuals with disabilities, many of whom served or are serving in the military. Their common goal is to acclimate, enable and engage their clients as a way to assist in the healing process, improving outlook and quality of life.

Deer Hunt at Nebrado Farms

Alan Strong has been a big supporter of River Deep Alliance for years. He hosts dove, pheasant, duck and deer hunts on his farm and on some of his neighbors land as well. Today, Alan Strong will be taking two Vets on a buck and doe deer hunt. The hunt begins on Saturday morning and ends on Saturday morning. Both Vets have their bags filled, have harvested some nice deer and will have some healthy meat for the freezer...and all before lunch time.

A big thanks to Alan Strong and his family, Operation TBI Freedom, Ft. Carson WTB, and the staff and volunteers who made this hunt a success!
