

River Deep is a newly established collaboration of like-minded organizations working exclusively to serve individuals with disabilities, many of whom served or are serving in the military. Their common goal is to acclimate, enable and engage their clients as a way to assist in the healing process, improving outlook and quality of life.

Pheasant Hunt with Allen Strong

The weather is warm and the grass tall. Allen Strong, our host, has been guiding us on deer, duck, dove and pheasant hunts for years. We have six Vets looking forward to putting some birds in the bag.

We will be hunting Friday afternoon and Saturday morning. Friday night we were treated to some great barbecue from Happy Jacks BBQ. Everyone has had a great time and managed to bring home some pheasant for dinner. A big thanks to Allen, Rudy, and the volunteers who made this a great weekend.
